3rd Annual WEEKEND OF WORSHIP

It will be led by Darrin & Daphne Clark (Children's pastors at Toronto Airport Christian Fellowship). We had a fantastic time of fellowship and fun last summer when they led a similar weekend here at our campground.

We will have activities planned for the entire family to enjoy.....games, tubing, sports, praise and worship times, chance for prayer, barbecues, campfire sings, Sunday worship service.....you can do as much or as little as you would like.

Singing praises around the campfire as we ate "smores" was a real highlight last year. We welcome family groups as well as church groups. Please call or email to reserve your campsite or rental unit as soon as possible.

If you are needing a time to get away.....to refresh, reflect & renew....then please join us for a great weekend.
